Odif

USE

AntiStatic removes static electricity from fabric. Colorless, does not stain. Slightly scented and acid free.

DIRECTIONS

AntiStatic spray reduces the electrostatic effect on fabric while sewing or when wearing clothing. AntiStatic spray can be used daily on clothing, tights, car seats, shoes etc. Only spray onto dry fabric.

Dangerous. See cautions.

CAUTIONS - DANGER : Extremely flammable aerosol.

Pressurised container: May burst if heated.

ACID
FREE
